Dear Ms. Yau,

Graduate with Outstanding Performance in HKDSE 2024

We are pleased to share with you that your graduate has been admitted to the following programme in the following university in 2024/2025 academic year:

Name of student	University	Programme
LEUNG HOI YI 梁鎧伊	The Chinese University of Hong Kong	Science

Please accept my warmest congratulations on your graduate's academic achievements which would not be possible without the solid foundation built as early as in her primary school years. As a result, she could continue to achieve her full potential in her secondary education and eventually develop her interests for the programme she has applied for.

While sharing the delight of the graduate's success, I would like to solicit your school's continued support by working closely with us to help nurture outstanding young people for our society. If your fellow students and parents are interested in getting more information about our school, Principal and other staff members can deliver admission talks in your school and answer their questions face-to-face. At the same time, we are organising our 2025/2026 Admission Talk on 14 December 2024 (Saturday). Please encourage them to sign up for the Talk through our school website.

For arranging in-school admission talks or further enquiries, you are welcome to contact Ms. Wong Yin Ping at 2727-6371 or by email (mmw-vvp@ccmmwc.edu.hk). Thank you very much.

Yours sincerely,

Lui Yee Man, Karen (Dr.)
Principal
